> In 1885. GREAT ENTERPRISE PAPERS OF THE CIVIL WAR. The important feature of The Cratury Magazine for the coming year—indeed, perhaps the most important ever undertaken by the magazine—will be a series of separate papers on the great battles of the War for the Union, written by general officers high in command upon both the Federal and Confederate Sides,—General Grant, (who writes of Vicksburg, Shilon, and other battles) Generals Longstreet, McCiellan, Beautegard, Rosecrans, Hill, Admiral Porter, and others. The series opens in the November Century with a graphically article on

The Battle ! Bull Run. written by the Confederate general, G. T. Beauregard. Brief Sketches, entitled 'Reconfederate general, G. T. Discourage of the service, etc., will supsected events, descriptions of various auxiliary, branches of the service, etc., will supsected events. ement the more important series by the

various generals.

A strict regard for accuracy will guide the preparation of the illustrations, for which The Century has at its disposal a very THE CENTURY has at its disposal a very large quantity of photographs, drawings, portraits, maps, plans, etc., hitherto unused. The sim is to pursue in this series, not official reports, but commanding officers' accounts of their plans and operations, interesting personal experiences which will record leading events of the war, and possess, the same time, a historical value not easily hered to be calculated.

In this line were Convocer will maintain is pressing, and furnish the best stories b imerican writers that can be procured. I A New Nvel by W. D. Howells. Author of "Venetian Days," "A Modern in stance," etc. This story deals with the rist of an American business man. A novel by Henry James, a novelette by Grace Deni Litchfield, and short stories by "Uncle Remis," Frank & Stockton, H. H. Bovesen, T. A. Janviel, H. H. William Hawthorne, and other equally well-known writers will appear at various times. MISCELLANEOUS FEATURES.

Under this heading may be included deries of papers on the Cities of Italy by W. Howells, the illustrations being reproductions of etchings and drawings by Joseph Pennell; a series on The New North-west. of Kingston, Onto to), and others, descrip-ive of little known regions; papers on crench and American Art,—sculpture and
