#### THE ANNUAL CONVENTION OF MONROE CO. W. C. T. U

Prizes Awarded for the Best Essays on the Various Subjects - \$10 in Gold Awarded Fairport Lady

Many instructive facts were brought to the attention of those who attended the annual convention of the Monros County Woman's Christian Temperance Union, which was held in Rochester on Thursday and Friday last. One of the members of the Fairport Union has sent the following account of it to the Mail:

"The department of Scientific Temperance Instruction was one which especially interested the people from Fairport on Friday afternoon. This work for the county is under the management of Mrs. Clara B. Kennedy of Rochester. She endeavors to have all local Unions encourage essay writing. The best essay from each school in the contest is forwarded to her. From these the best is sent to the state where the best is again the recipient - of a prize . Churchville school received an essay prize and a poster prize. Fairport did not enter the poster contest because it was too late when it was brought to the attention of the teacher. No. 7 school of Rochester drew a grade prize. Pairport was not left out in the good things, however. The prize-offered for the lesson on "How to Teach the Scientific Facts of the Effect of Alcohol to Ohildren," was, awarded to Mrs. Margaret Hodgson of Fairport school. The prize was a ten dollar gold piece. Her lesson was read by herself to a delighted audience. This lesson has been sent to the National examiners. The successful competitor will be named and awarded at the National Convention which is to be held in Chicago in November. Our best wishes go with it."
